

Embedded world 2020 | TAICENN Exhibition

28th -Feb. 2020, Nuremburg - Germany

Ref. #: TN20022801

Yesterday, the Embedded world 2020 Show (EW2020) has come to an end. Despite the huge impact of the new Coronavirus, many of the scheduled meetings had to be cancelled and the visitor flow was greatly affected, but TAICENN still had a good opportunity to meet some customers and discuss projects and cooperation relationships.

Exhibition: Embedded world 2020 (EW2020)

Time: 2020.2.25 to 2020.2.27

Location: Nuremburg messe

Booth: Hall 3 -562

The booth product show:

Shenzhen TAICENN technology Co., Limited

Add.: 507, Bldg. A, Fuxinlin Industrial Park, Bao an, Shenzhen, China 51826

Tel.: +86 (755) 3291-4236 Email.: sales@taicenn.com Website: www.taicenn-group.com

The live show:

TAICENN, is a leading global provider and manufacturer of industrial panel PC, industrial display and industrial & embedded PC products, which are designed specifically for systems and applications that require excellent performance, high-level reliability and stability, long supply period and supports.

This exhibition mainly show our modular designed solution & products to new and old customers, bringing stable and reliable fanless embedded computers, industrial touch panel PCs and industrial display products to the industrial automation market; and showing customers our unique fast and flexible customization capability.

Highlight 1:

The modular designed industrial panel PC and display system, through the modular display panel, touch screen, and PC system, quickly meet the needs of industrial automation field and achieve rapid shipment:

- ◆ Full-size inventory, from 10.4 to 24.0 inches;
- ◆ Free CPU platform combination & selection;
- ◆ Accurate EETI algorithm touch solution to provide customers with perfect experience;

Highlight 2:

The full IP65 stainless-steel Pcap. and resistive touch industrial panel PCs. And we will do Be simple IP66 test before shipmen in the house, to ensure Full IP65 standard.

- ◆ multiple display sizes available;
- ◆ Both Pcap. and resistive touchscreen can be realized;
- ◆ Customized waterproof connectors & cables to meet site requirements.

Shenzhen TAICENN technology Co., Limited

Finally, A huge "THANK YOU" to our Germany's local support, and every visitor to TAICENN's stand in Embedded World 2020. We were more pleasure to have the chance to introduce our value and solution products. Also, it was our greatest honor to discuss together.

Looking forward to seeing and working with you in the near future!
